instantretail  
Powered by Sage Evolution ERP

Dear Member

**INSTANT RETAIL ACCOUNTS**

This is to certify that **Instant Retail** (Powered by Sage Evolution ERP) is an approved supplier of financial solutions for our Stores.

**Sage Evolution** (formerly known as **Pastel Evolution**) is an established and trusted financial solution that is already extensively used throughout South Africa.

The **Instant Retail** solution is fully integrated with SIGMA. Besides being able to import Debtors, Creditors and Cash Book transactions from SIGMA, the **Instant Retail** solution includes an automated reconciliation process for SPAR DC and Drop Shipment Supplier Statements. This saves Stores a considerable amount of time and effort. The **Instant Retail** solution also caters for Groups of Stores.

The **Instant Retail** solution has been extensively piloted during the last 12 to 18 months and is now available as an option Stores.

Yours Sincerely

**RICK WHEELER**

*Group Retail Systems Manager*
