## **Instant Retail Accounts: Independent Software Vendor Endorsement by Sage Pastel Evolution**

Instant Retail Accounts is a retail management solution powered by the Sage Pastel Evolution accounting platform.

### **The Spar Retail Management Solution**

Instant Retail offers the Spar retailer not only superior accounting functionality but is also fully integrated to Sigma, providing a holistic retail management solution.

With the Business Intelligence Reporting Module, the system permits a fully integrated view of the Spar store from operations, stock movement to multi-store consolidated profitability.

### **Instant Retail Accounts offers you a comprehensive accounting & financial management system:**

- SARS compliant tax reporting – easily generate your SARS tax report (e.g. SA VAT 201 report)
- Automated bank statement reconciliation – electronic upload and auto-reconciliation
- Creditor EFT payments – permits sundry supplier ‘month-end’ payment run & uploads file to your bank
- Powerful multi-store consolidated reporting and accounting – enables centralised accounting
- Fully integrated to Spar systems – e.g. Sigma GRVs, Debtors, Sales & Cost-of-Sales, and more!
- Automated DC-Warehouse / Drop-Shipment statement reconciliations
- Claims Disputes Manager permits filtered reporting / email on unresolved claims – with drill-down to transactions level
- Additional Spar operational reporting – e.g. 52 Week Rolling GP report, Sales & Cost-of-Sales per department, et cetera

The Instant Retail Accounts solution is approved and recommended by South Africa’s leading accounting software vendor, Sage Pastel Evolution.
